## Villa Monterey IV – Resort Park Association

### IT'S SEPTEMBER ALREADY!

It will be nice to see everyone back in the not too distant future. While some areas of the USA will be sad about the end of summer it's a beautiful time here. People are out, you don't have to walk the dogs before dawn, windows and doors are open, birds are singing and we can actually hear them.....you get the picture. While we sweat out the rest of September here are a few updates in our community:

- By now you've received a copy of the latest Directory. A special thanks to **Michele Kocour, Sally Stratton, Myrna Weinstein, and Ann Tucker** for distributing the directories (in triple digits no less). If you haven't received one, please email us and we will make sure to get one to you.
- First Saturday of the month coffee and donuts start tomorrow! Barry Katzen and Paula Baxter are hosting 9:30am to 11am. For those of us who are here, don't resist just give in to the sugar. We still have October open if anyone would like to host, please email us.
- Board meetings will be starting back up again as people are coming back to town. The next one is this month- Wednesday Sept 14th at 5:30pm. If you are attending, please remember to bring your key as we can't leave the doors propped open (due to access to pool).
- We are still looking to fill the open seat of Secretary on the board. Please let us know if you are interested or even if you think you MIGHT be interested and we can answer any questions you have.
- Something to bear in mind.....we should not be feeding the quail, bunnies and pigeons. This is considered baiting and even if we think feeding them is a nice thing to do, they don't need our help as they do great foraging on their own. A by-product of these good intentions can bring coyotes into the area. We love all the wildlife so let's keep it wild. Thank you!

Until next time. Everyone have a great September. Hope to see you at

donuts tomorrow and at the board meeting later this month.
