Villa Monterey IV – Resort Park Association

Citrus Donation 2024

As required in our HOA Rules and Regs, please remember to have your citrus picked and hauled away by April 1, 2024. This effort is important as it reduces a prime food source for roof rats and will prevent unwanted infestations. We thank you for your cooperation!

If you would like to donate some of your citrus:

**St.Mary's Food Bank will be accepting citrus donations through April 30, 2024 at their Phoenix warehouse located at
2831 N. 31st Avenue
Phoenix, AZ 85009
8am-4pm, Mon.-Fri.**

To help in this effort VM4 will round up your citrus and deliver to St. Marys on Tuesday April 2, 2024.

Please place your citrus in a sturdy file size box and set out on your curb the evening of April 1. We are limiting the size of your donation to one box as it can get pretty heavy and we will be using personal vehicles to deliver.

**If you would like to participate in this effort as a driver please call
Mike Flamini- VM4 facilities director
480 323-5299**

**Remember please place your citrus curbside the evening of April 1.
Thank You!**
