Villa Monterey IV – Resort Park Association

IMPORTANT INFORMATION ABOUT ACCESS TO CLUBHOUSE GROUNDS

ATTENTION ALL RESIDENTS:

We apologize for the inconvenience and ask for your patience as the new gates, electronics and key card are being installed and tested. The **Mariposa gate** will be locked until the process is complete. You will have access to the pool at the **Northland gate** and temporarily will have to enter the combination "4931" to gain access. Please secure the lock box prior to leaving. If all goes as planned with the Gate Mfg. and the key cards; we will begin the process of issuing cards on Tuesday. Please check your email for further progress and updates. Thank you!

Please be aware...the summer hours for "Yappy" Hour have been posted.
